

1. Nursing Science Center (NSC) - 350 S. Garey Ave.
NSC houses the College of Graduate Nursing (CGN), the Graduate College of Biomedical Sciences, and Institutional Research and Effectiveness (IRE). CGN moved into the former bank building in 2006.

2. Technology Training Center (TTC) - 283 E. Second St.
TTC resources to help staff and faculty learn various computer programs in a classroom environment.

3. Harriet K. & Philip Pumerantz Library & Learning Resource Center (LLRC) - 287 E. Third St.
The center houses library resources, including the University Archives and Library Administration, as well as Technical Support and Network Operations, and Information Technology Administration.

4. University Research Center (URC) - 309 E. Second St.
URC houses Cooper Hall, Swift Hall, and Trendle Hall, as well as Security. The URC was once home to JC Penney when the Pomona Mall was open.

5. Academic Affairs Center (AAC) - 359 E. Second St.
The AC is home to the offices of the President, the Provost, Chief Operating Officer, the Senior Vice President, Academic Affairs, Public Affairs, Graphics and Branding, and Human Resources.

6. Western University Bookstore - 395 E. Second St.
The bookstore offers WesternU-themed gifts, shirts and outerwear as well as textbooks and supplies.

7. Student Services Center (SSC) - 352 E. Second St.
The SSC houses Admissions, Student Affairs and Services, the Registrar, and Financial Aid.

8. Harris Family Center for Disability and Health Policy (CDHP) - 390 E. Second St.
The Center was dedicated in honor of the Harris Family Foundation, which supports research and public policies aimed at increasing the independence and self-reliance of people with disabilities.

9. University Services Center (USC) - 401 E. Second St.
USC is home to Special Events, Facilities, Alumni Relations, Environmental Health & Safety and the Security Director. The center was a United California Bank branch in the 1960s and a First Interstate Bank in the 1980s.

10. Business Center (BC) - 479 E. Second St.
The BC contains the Bursar's Office, Accounts Payable, Payroll, the Chief Financial Officer and Treasurer, and the Office of Budget Management, Planning and Analysis. The center was a Security First National Bank branch in the 1960s.

11. Health Sciences Center (HSC) - 450 E. Second St.
Houses the College of Allied Health Professions, the Neuromusculoskeletal Medicine/Osteopathic Manipulative Medicine (NMM/OMM) faculty and lab, Gross Anatomy Lab, Learning Enhancement and Academic Development (LEAD), Media Services studio, Mailroom and Procurement Services, and the Tribute Walk.

12. Veterinary Medical Center (VMC) - 505 E. Second St.
The VMC houses the College of Veterinary Medicine, as well as classrooms for Problem-Based Learning, a core component of the CVM curriculum.

13. Veterinary Pathology Center (VPC) - 577 E. Second St.
The 2,200-square-foot VPC serves as WesternU's diagnostic pathology facility.

14. Ethan Allen Park - 557 E. Second St.
The park is dedicated to Ethan Allen, DO, a pioneer of osteopathic medicine in the West and a powerful force in the founding of the College of Osteopathic Medicine of the Pacific. Dr. Allen was founding chairman of COMP's Board of Directors and is treasurer of WesternU's Board of Trustees.

15. Health Professions Center (HPC) - 550 E. Second St.
HPC houses the College of Pharmacy and a portion of the College of Osteopathic Medicine of the Pacific (COMP). In 1962, famed architect Welton Becket built a Buffums department store as part of the Pomona Mall. It closed in 1991. COMP acquired the building in 1992 and extensively remodeled it, keeping the original façade of turquoise and blue Venetian tile.

16. Banfield Veterinary Clinical Ctr. (BVCC) - 611 E. Second St.
The two-story, 31,200-square-foot center houses Banfield, The Pet Hospital of Western University. BVCC also houses faculty offices, the Naimoli Student Commons, the "Thing Laboratory," and an audio-visual learning room named for late actress Gretchen Wyler.

17. Health Education Center (HEC) - 701 E. Second St.
The 180,000-square-foot HEC is home to administration, faculty and staff for the Colleges of Osteopathic Medicine, Podiatric Medicine, Dental Medicine and Optometry. The center features a Recital Hall and a grand piano, two 356-seat lecture halls, and dozens of small group study/learning rooms. HEC also has vision science labs for CO and a dental simulation center for CDM.

18. Patient Care Center (PCC) - 795 E. Second St.
The PCC houses five distinct Centers: The Eye Care Center and Pharmacy are on the first floor; the Medical Center and Foot & Ankle Center are on the second floor; and the Dental Center is on the third floor.

19. PFF North - 399 N. Garey Ave.
The former PFF Bank and Trust Building houses University Advancement's development officers and its planned giving, corporate and foundation relations, gift planning offices and prospect research offices, as well as Advancement Information Services, and the University Policy and Procedure Office.

20. Parking Structure - 799 E. Second St.
A seven-story, 600-space parking structure.

The discipline of learning. The art of caring.
