

The discipline of learning. The art of caring.

COLLEGE OF VETERINARY MEDICINE

PERSONAL QUESTIONNAIRE

(*Required)

*Applicant

*Social Security #

Please limit answers to 200 words (1700 characters) or less.

***1. Describe a situation from your own experiences that best exemplifies how you learn.**

***2. Aside from becoming a veterinarian, what other goals do you have? How do you plan to achieve them?**

***3. What attracts you to a career in veterinary medicine?**

***4. Why do you wish to attend the College of Veterinary Medicine at Western University of Health Sciences?**

***5. Is there an area of veterinary medicine that particularly interests you?**

***6. Describe what you have done to prepare yourself as a future veterinarian.**

***7. Give an example of a challenge you faced during your preparation for veterinary school and describe how you addressed it.**

***8. Name an individual whom you admire greatly and explain why. What influence has this person had on your life and future?**

***9. Identify a group activity in which you participated and think everyone worked with each other in a very good way. Describe the personal interactions that took place and the role that you played in those interactions.**

***10. Describe some of your non-academic interests (e.g., community service, recreational or athletic activities, hobbies, etc.) How have these interests influenced your future goals or prepared you for your future?**

11. Additional comments.
