

All incoming students will be required to order a background check prior to matriculation in the DPT program. The background checks are conducted by PreCheck, Inc., a firm specializing in background checks for healthcare workers. Go to [www.Mystudentcheck.com](http://www.Mystudentcheck.com) and look for “Western U – College of Allied Health” under school listing and then select “Physical Therapy” as the program name. You will only need to order the “Standard” under package description.

Complete all required fields and hit “Continue” to enter your payment information. The payment can be made securely online with a credit or debit card. You can also pay by money order, but that will delay processing your background check until the money order is received by mail at the PreCheck office. You will be provided an order confirmation number and instructions on how to check the status on the completion of your report by email.

PreCheck will not use your information for any other purposes other than a background check. Your credit will not be investigated, and your name will not be given out to any businesses.

If you need assistance, please contact PreCheck at [StudentCheck@PreCheck.com](mailto:StudentCheck@PreCheck.com).
