

1. What should I do first?

First, you should review the “Next Steps” document and follow it closely. There, you will find time-sensitive next steps to consider.

2. I’m an international student. When will I receive information regarding my visa?

You can view detailed information, along with the I-20 request form, on our international student website at <https://www.westernu.edu/international/international-visa/>. An I-20 cannot be processed any earlier than 120 days prior to the start date of your program.

3. How do I set-up my WesternU email account?

Directions for setting up your WesternU email account will be forwarded to you after your enrollment deposit has been received.

4. When can I register for classes?

Once we determine that you have submitted all materials required to lift your academic and health clearance holds listed on your checklist, you will be able to register once the registration process is open.

5. What are my living options at WesternU?

www.westernu.edu/students/students-housing-moving

6. Where can I access the academic calendar?
