

The financial aid staff at WesternU is looking forward to providing you with any assistance regarding your financial aid. Our goal is to provide quality customer service, counseling, and support to all of our students during their academic career at WesternU.

To begin the financial aid process, you will need to do the following:

- Apply for a FAFSA ID at **fafsa.ed.gov** This is the username and password that will be used for federal aid websites.
- Complete your FAFSA application at **fafsa.ed.gov**. The application process begins October 1 of each year. (our school code is 024827)
- Review your budget via our web site at **westernu.edu/financial/financial-budgets/**
- Review the loan programs offered to our graduate/professional students via our website at **westernu.edu/financial/direct-loan-program-counseling/financial-loans-department-education/**

It is the goal of the Financial Aid Office that financial award offers, and any additional requirements, will be emailed to all incoming students that have a valid FAFSA by mid-May. Students entering the international dentist program will receive their award offers upon acceptance since their program starts in March. Emails will be sent to the students' WesternU email address.
