The two-story, 31,200-square-foot center houses Banfield, the pet hospital of WesternU. BVCC also houses faculty offices, the Naimoli Student Commons, and the "Thing Laboratory."

CDHP – Harris Family Center for Disability and Health Policy

The Center was dedicated in honor of the Harris Family Foundation, which supports research and public policies aimed at increasing the independence and self-reliance of people with disabilities. The CDHP also houses the Registrar and Enrollment Data Services.

HEC – Health Education Center

The 180,000-square-foot HEC is home to administration, faculty, and staff for the Colleges of Osteopathic Medicine, Podiatric Medicine, Dental Medicine, and Optometry. The center features a Recital Hall and a grand piano, two 356-seat lecture halls, and dozens of small group study/learning rooms. HEC also has vision science labs for CO and a dental simulation center for CDM.

HPC – Health Professions Center

HPC houses the College of Pharmacy and a portion of the College of Osteopathic Medicine of the Pacific (COMP). In 1962, famed architect Welton Brecket built a Buffums department store as part of the Pomona Mall. It closed in 1991. COMP acquired the building in 1992 and extensively remodeled it, keeping the original façade of turquoise and blue Venetian tile.

HSC – Health Sciences Center

Houses the College of Allied Health Professions, the Neuro-musculoskeletal Medicine/Osteopathic Manipulative Medicine (NMM/OMM) faculty and lab, Gross Anatomy Lab, Learning Enhancement and Academic Development (LEAD), Nursing Clinical Skills Lab, Media Services studio, Mailroom and Procurement Services, and the Tribute Walk.

LRC – Harriet K. & Philip Pumerantz Library & Learning Resource Center

The center houses library resources, including the University Archives and Library Administration, as well as Technical Support and Network Operations, and Information Technology Administration.

NSC – Nursing Science Center

NSC houses the College of Graduate Nursing (CGN), the Graduate College of Biomedical Sciences, and Institutional Research and Effectiveness (IRE). CGN moved into the former bank building in 2006.

PCC – Patient Care Center

The PCC houses five distinct centers: The Eye Care Center and Pharmacy are on the first floor; the Medical Center and Foot & Ankle Care Center are on the second floor; and the Dental Center is on the third floor.

RWC – Rodney P. Weinberg Center

RWC houses Cooper Hall, Swift Hall, and Trendle Hall, as well as Security. The RWC was once home to JC Penney when the Pomona Mall was open.

SSC – Student Services Center

The SSC houses Admissions, Student Affairs and Services, Recruitment, and Financial Aid.

TTC – Technology Training Center

TTC resources help staff and faculty learn various computer programs in a classroom environment.

USC – University Services Center

USC is home to Special Events, Facilities, Alumni Relations, Environmental Health & Safety, and the Security Director. The center was a United California Bank branch in the 1960s and a First Interstate Bank in the 1980s.

VMC – Veterinary Medical Center

The VMC houses the College of Veterinary Medicine, as well as classrooms for Problem-Based Learning, a core component of the CVM curriculum.
