

The following are important next steps for you to complete, if you haven't already. Please pay close attention to deadlines. Missing a deadline will result in the delay of your registration and/or financial aid, and in extreme cases, may result in the termination of your seat in the fall class.

Please refer to the College of Podiatric Medicine Admitted Student Web Page for all documents and forms:

prospective.westernu.edu/podiatry/admitted-15/

Here you will find important links and downloads necessary to secure your seat in the class.

Accept your offer of admission:

- 1. Complete the Offer of Admission Form you will find on your [Application Status Page](#).
- 2. After you have accepted our offer of admission submit your non-refundable acceptance deposit. You will see those due dates on your [Application Status Page](#).

The following must be received no later than June 1, 2020

Official transcript(s) showing the satisfactory completion of all coursework & degrees.

- All final official transcripts must be received prior to registration.
 - We will have access to transcripts submitted to AACPMAS so you will only need to submit transcripts for coursework completed after your application was submitted.

All prerequisite courses must be completed with a grade of "C" or higher by the end of the spring semester/quarter prior to matriculation.

- Please contact us immediately if you learn that you received a questionable grade so we may discuss how this affects your admission status.
 - Notify us if your plans change and you are unable to enroll in a course you listed as planned. This is important so we can confirm that new courses meet our requirement.

- Health clearance forms and required immunization serum titers and documentation (see Admitted Student Web Page for details).

- Satisfactory background check from PreCheck, Inc. (see Admitted Student Web Page for details).
