

Doctor of Veterinary Medicine Program

We have provided the attached worksheet for two reasons:

1. To help you organize the courses you have taken according to our prerequisites and to manage the task of completing all of our course requirements.
2. To help you determine whether a specific course will satisfy our requirements.

Please list the department, exact course number and title, college or university where taken, number of units assigned to the class, and the grade you earned in the class. You may use another sheet to list additional courses you believe will meet our requirements. You **must include a copy of the course syllabus** for each course that is not listed in the Prerequisite Database. To obtain this information, go online or contact the admissions office/registrar's office at your undergraduate institution(s) and request a copy of the course syllabus for the year(s) in question.

All information provided on the academic work sheet will be verified for accuracy when the application is received, and a final evaluation will be made at that time. You will be notified in writing of the results of our evaluation within three weeks of our receipt of the completed worksheet. **Please provide your name, mailing address, telephone number, and e-mail address so that we may contact you with any questions.** **NOTE:** Academic worksheets will **not** be reviewed during peak application processing time; October through February. If your worksheet is received during this time, it will be held until March at which time we will be happy to respond to your questions.

**THIS WORKSHEET IS NOT TO BE SUBMITTED IN PLACE OF THE
PREREQUISITE WORKSHEET WHEN APPLYING**

Fax the completed Academic Worksheet to:

(909) 469-5570

OR

Email the Academic Worksheet to your designated counselor listed on the Contact Us page of the website.

Physics II (Lab? Yes)							
Physics Lab (Only if not included above)							
Physics Lab (Only if not included above)							
Statistics							
English Composition I							
English Composition II							
Humanities/Social Sciences I							
Humanities/Social Sciences II							
Humanities/Social Sciences III							

Important Notes

All courses **must** be completed at an accredited college or university in the U.S. OR coursework completed outside the U.S. (including Canada) must be evaluated by; Joseph Silny and Associates (305-666-0233) or World Education Services (212-966-6311) to be considered. All courses must be completed with a grade of "C" or higher ("C-" or lower is **not** acceptable). One course cannot be used to satisfy more than one prerequisite.

¹ This must be a course designed or specified for science/biology majors.

² All except **two** of these courses **must** be completed by December 31st of the year immediately prior to planned matriculation at WesternU-CVM (i.e. December 31, 2017 for matriculation in Fall 2018).
