WESTERN UNIVERSITY OF HEALTH SCIENCES VETERINARY MEDICINE PROGRAM Prerequisite Worksheet

If a course is in progress you must provide course details and select IP for the grade. Do not leave anything blank!

*Term Example: FA16 (FA=Fall, SP=Spring, SU=Summer, WI=Winter) Units/Credits: 4S (S=Semester Q=Quarter)

| Required Courses ¹ | Name of Institution | Dept code & Course # | Complete Course Title | Term*/Year | Units | Grade (or IP) | In Prereq Database (Y or N) |
|--|---------------------|----------------------|-----------------------|------------|-------|---------------|-----------------------------|
| Example: | Any University | CHE 201 | Organic Chemistry | FA06 | 4S | A- | Y |
| Organic Chemistry | | | | | | | |
| Organic Chemistry Lab (Only if lab <u>not</u> incl above) | | | | | | | |
| Biochemistry or Physiological Chemistry | | | | | | | |
| Upper-Division Biological & Life Science ^{2,3} | | | | | | | |
| Upper-Division Biological & Life Science ^{2,3} | | | | | | | |
| Upper-Division Biological & Life Science ^{2,3} | | | | | | | |
| Upper Division Biological & Life Science Lab ³ (Only if lab <u>not</u> incl above) | | | | | | | |
| Microbiology ^{2,3} | | | | | | | |
| Upper-Division Physiology ^{2,3} | | | | | | | |
| Genetics/Molecular Biology ^{2,3} | | | | | | | |
| General Physics | | | | | | | |
| General Physics | | | | | | | |
| General Physics Lab (Only if lab <u>not</u> incl above) | | | | | | | |
| General Physics Lab (Only if lab <u>not</u> incl above) | | | | | | | |
| Statistics | | | | | | | |
| English Composition I | | | | | | | |
| English Composition II | | | | | | | |

| Humanities/Social Sciences I | | | | | | | |
| Humanities/Social Sciences II | | | | | | | |
| Humanities/Social Sciences III | | | | | | | |

Important Notes - PLEASE READ

¹ All courses must be completed with a grade of “C” or higher (“C-“or lower is **not acceptable**). One course cannot be used to satisfy more than one prerequisite.

² Should be a course designed or specified for science majors.

³ All except two of these courses must be completed by December 31st of the year immediately prior to matriculation at WesternU-CVM (i.e. December 31, 2018 for matriculation in Fall 2019). You may only have ONE of the three upper-division biological and life sciences in progress after Fall 2018.
